Professional Summary

Recent BCA graduate with a strong academic foundation in computer applications and a growing passion for web development. Though I have no professional experience, I have built personal projects using HTML, CSS, and JavaScript to strengthen my frontend development skills. I am a quick learner, highly motivated, and eager to start my career as a Frontend Developer. Looking forward to applying my knowledge in a real-world environment, contributing to team success, and continuously improving my skills.

Career Objective

To obtain a challenging position as a Frontend Developer where I can utilize my skills in HTML, CSS, JavaScript, React and modern UI design principles to create user-friendly and visually appealing websites. I aim to contribute to a dynamic team, grow professionally, and continuously expand my knowledge in web technologies while delivering high-quality solutions that enhance user experience.
